

A United Latino Voice for Oregon

Hosted by The Ford Family Foundation

October 4, 4:00 p.m. to 6:00 p.m.

[Salem Convention Center](#) – Croisan Creek Room

This pre-summit session will focus on the priorities for the Latino community in Oregon. Individuals and groups responding to these priorities are diverse and distinct with multiple approaches and strategies. Is it possible to create out of the different approaches and strategies a larger umbrella that unites the many voices representing Latinos in Oregon? What would it look like in order to be inclusive of the many voices and faces of Latinos in Oregon? These and other questions will be the focus of this session and will help us jump start the [Conexiones Summit: Transforming Communities Together](#).
